## *Responsibilities of the Statutory Auditor*

Our task is to formulate a conclusion regarding these interim condensed consolidated financial statements on the basis of the conducted audit.

## *Scope of the audit*

We have conducted the audit in accordance with the National Audit Standard 2410 in the wording of the International Standard on Auditing 2410 "Audit of the interim financial information prepared by the independent statutory auditor of the entity". The audit of the interim condensed consolidated financial statements consists in the submission of queries, primarily to persons responsible for financial and accounting matters and conducting analytical and other audit procedures. The audit is much more extensive in scope than the study conducted in line with the National Standard on Auditing and, in consequence, does not allow us to achieve certainty that all relevant issues that would have been identified in the course of the audit have been identified. In light of the above, we do not express an opinion from the audit regarding these interim condensed consolidated financial statements.

## *Conclusion*

On the basis of our audit, we did not identify anything that would give us grounds to believe that the attached interim condensed consolidated financial statements of Kredyt Inkaso S.A. Group for the period of 6 months ended 30 September 2022 have not been prepared, in all relevant aspects, in accordance with IAS 34.
